Description

New exclusive complex consisting of 5 villas luxury. Each Villa has a unique design. The area of the villas range from 251 m2 to 400 m2. Depending on the area, the Villa may have 3 to 5 bedrooms, 4 to 6 bathrooms, a spacious stylish kitchen, equipped with the latest technology, a living room with panoramic Windows offering stunning views of the vast Golf course. In front of the house is a large infinity pool, creating an amazing atmosphere of comfort and luxury. The villas are located in a beautiful Golf club with 18 holes, occupying prize-winning places in the ranking. The whole territory of the club is secure and has the status of private estates. 5 km from Golf on one of the sandy beaches is a private club with pools, bar and restaurant. The beach club is gated for owners of real estate or members of the Golf club. New project of a major Spanish construction company with a long history that combines a unique architectural design and unsurpassed quality. If this is what you were
